Cookie Reward Opt-Out must be unanimous because it affects all girls in the Troop. It is not possible for some girls to opt-out and other girls to receive rewards. Girls in Troops that opt-out will *only* receive patches. Girls are opting out of all merchandise, Cookie Bucks, Digital Dough, reward events, and awards. **Multi-level Troops that include Daises or Brownies are NOT eligible to opt-out.**

Please have all girls on your Troop roster sign below to indicate they wish to waive Girl Rewards, in order to receive an additional \$0.05 per box in Troop proceeds. Use additional sheets as necessary.

Please note: We will allow email documentation to serve as signature approval from each girl. Please be sure to submit all email documentation, along with the Opt-Out Girl Cookie Rewards form, in one(1) email to customercare@girlscoutsfl.org.

By signing below, the Troop agrees to receive an extra \$0.05 per box in Troop proceeds, instead of receiving Girl Rewards.
