Fall Product Program Reward Opt-Out must be unanimous because it affects all girls in the Troop. It is not possible for some girls to opt-out and other girls to receive rewards. Girls in Troops that opt-out will ***only*** receive patches. Girls are opting out of all merchandise. **Multi-level Troops that include Daises or Brownies are NOT eligible to opt-out.**

All girls on your Troop roster ***must*** sign below to indicate they wish to waive Girl Rewards, in order to receive an additional 3% of the Troops total sales in Troop proceeds. Use additional sheets as necessary.

Please note: We will allow email documentation to serve as signature approval from each girl. Please be sure to submit all email documentation, along with the Opt-Out Girl Cookie Rewards form, in one(1) email to customercare@girlscoutsfl.org by the deadline.

By signing below, the Troop agrees to receive an extra 3% of Troop total sales in Troop proceeds, instead of receiving Girl Rewards.
