2025-2026 Family Guide to the Girl Scout Cookie Program

Welcome to the World's Largest Girl-Led Business

Welcome to the Girl Scout Cookie Program! The largest Girl-Led entrepreneurial program in the world. Our Girl Scout Cookie Program is way more than a fundraiser. The Cookie Program is a fun way for girls of all ages to power their dreams and gain hands-on leadership and entrepreneurial experience. Girls will learn first-hand the ins and outs of running her own cookie business.

Your Girl Scout will learn to set goals, create a plan, interact with customers, manage money, and so much more! These hands-on, real-world skills set Girl Scouts up to be the prepared entrepreneurs, problem-solvers, and leaders our world needs now and in the future.

Participating in the cookie program also helps power your Girl Scout's adventures throughout the year. 100% of the proceeds from the cookie program stay local. We encourage

all Girl Scouts to participate in the Cookie Program; it is a vital part of our program and provides essential funds to support our Movement and Troop activities. When Troops earn proceeds, they can support and fund Troop experiences, activities, and community service projects, as well as Council initiatives such as building membership, innovative girl programming and more!

With the assistance and encouragement of her family, there's no stopping a Girl Scout!

Thank you for supporting your Girl Scout and taking on this adventure together! As part of her team, you and your family will see your Girl Scout's confidence boost, skills grow, and personality shine. Throughout this guide, you'll find tools and support to help you and your Girl Scout have an enjoyable and rewarding cookie program experience.

Skills they build

The Girl Scout Cookie Program® helps Girl Scouts develop real-world skills in five essential areas:

01

Goal Setting

Girl Scouts learn how to set goals and create a plan to reach them. How you can help: Encourage them to set incremental, achievable goals. Work with them to break down their goals into small, frequent wins, like weekly challenges.

02

Decision Making

Girl Scouts learn to make decisions on their own and as a team. How you can help: Talk about how they plan to spend the troop's cookie earnings.

03

Money Management

Girl Scouts learn to create a budget and handle money. How you can help: Build on their interest in learning to manage all facets of the cookie business, like creating a budget to fund a troop experience or figuring out the percentage of customers who chose the donation option.

04

People Skills

Girl Scouts find their voices and build confidence through customer interactions. How you can help: Ask them about new marketing ideas they want to try. They can discuss how to tailor their cookie pitch to achieve their goals.

05

Business Ethics

Girl Scouts learn to act ethically, both in business and life. How you can help: Talk to them about the importance of delivering on their promise to customers. They can also consider offering a cookie donation option.

Ways to Participate in the Cookie Program

Order Card

These are physical Order Cards used before girls have cookies in hand, to help them know how many cookies they need to order. Girls can use their Order Card to visit friends, family, and local neighbors (with adult supervision) to take pre-orders for their cookies. Girls should always strive to keep customers happy and remember that all orders must be fulfilled as promised. Girls will then turn in their Order Card to their Troop Leader by the due date set by the leader.

Tips:

- Girl may begin taking pre-orders on November 21.
- With permission, post information at the parent/guardian workplace about your Girl Scouts' cookie business, to include information about why she is selling, what her goals are, and how the Troop will spend their proceeds.
- Continue to use the Order Card to track customers and place reorders, even after submitting the Initial Order.

Digital Cookie

Digital Cookie is the online e-commerce platform that helps girls superpower their cookie sales with mobile and online sales. Girls can promote their Digital Cookie site by emailing friends and family, creating videos to share on social media, and dropping off door hangers to neighbors with their unique Digital Cookie QR code or URL.

Parents who have opted-in to receive emails will receive their Digital Cookie welcome email in early December. If a parent/guardian does not receive a Digital Cookie welcome email by December 5, please contact Customer Care at customercare@girlscoutsfl.org.

Utilizing Digital Cookie helps you manage your sale easily and safely, by allowing contactless delivery and the option for customers to pay with a credit card. Customers can purchase cookies through Digital Cookie various ways:

- Shipped: Customers order and pay for cookies online and receive their cookies within 7 to 10 days directly to their door. There is a shipping fee for this purchase option.

- Donations: Cookies are donated to our Hometown Heroes donation program and delivered at the end of the season to local heroes by Troops and Council.
- Girl Delivery (also known as In-Person Delivery): With parent approval, customers pay online and opt for girls and their parents/caregivers to deliver their cookies. Families arrange for safe cookie delivery. Parents can opt-out of this feature.

When a parent/guardian is determining whether to approve or decline a Girl Delivery order, consider the following:

- Is the customer a known and trusted individual?
- Are you willing and able to get the cookies to the customer's location?

AND

- Do you have, or will you have, the inventory available?

Tips:

- The Girl Scout Cookie Program is a girl-led program and *online marketing and sales efforts should always be led by a girl while also being supervised by her parents or caregivers.*
- Review the Supplemental Safety Tips for Online Marketing & Digital Marketing Tips for Cookie Entrepreneurs and Families.

Be a Digital Cookie Superstar

Make an impression

Use eye-catching photos in your marketing material. Consider using photos of different cookies you're selling, or something tied to your personal and/or Troop goal. If your Troop plans to use cookie proceeds for a trip or to go camping, tell your customers about it so they can see how the Cookie Program powers incredible girl adventures.

Create a Sense of Urgency

Girl Scout Cookie season only comes around once a year! Use words that will encourage your potential customers to buy right away.

Highlight Special Features

Share the top-selling cookie flavors with your potential customers and promote the newest cookie. Do your customers know that there is a gluten-free cookie, or a cookie made with vegan ingredients?

Cookie Booths

Cookie Booths are a fun Troop activity for girls, and much anticipated by the public. Cookie Booths in areas with lots of foot traffic are a fun way for girls to connect with their community and practice their sales pitch with new customers.

Please keep in mind that selling cookies at a booth is a privilege granted to us by local businesses. This privilege, if abused, could cause all Troops to lose the opportunity for future sales.

Cookie Booth Etiquette

Girls sell, adults supervise! Girl-led is the secret of Girl Scouting. Review the following Cookie Booth etiquette rules with your Girl Scout:

I will:

- Be polite and friendly
- Remember my behavior reflects Girl Scouts
- Obey the Cookie Booth sale start dates
- Wear Girl Scout attire to identify myself
- Say thank you to every customer
- Take all trash home with me

I will not:

- Block entrances to store
- Get in the way of customers
- Give out my full name, address, or phone number
- Run around or play while selling at a booth

BE CREATIVE

Lemonade Stands – set up a table in their front yard or somewhere safe in the neighborhood.

Walkabouts – load up a wagon or cart with cookies and walk from door to door in your neighborhood.

Phone and Text – contact family, friends and previous customers. Share your Girl Scouts Digital Cookie site or take the order over the phone,

Social Media – share your Girl Scout Digital Cookie site to spread the sale far away.

Event Booth – these are cookie booths at events in town. Parents talk with the Troop Cookie Manager to make sure it's a approved location.

Note: Always get the proper permissions and remember adult supervision is always required.

Safety First!

Show You're a Girl Scout

Wear a Girl Scout membership pin, uniform, or Girl Scout clothing to clearly identify yourself as a Girl Scout.

Buddy Up!

Always use the buddy system. It's not just safe, it's fun!

Be Street Smart

Become familiar with the areas and neighborhoods where you will be selling Girl Scout products.

Partner With Adults

Adults must accompany Girl Scout Daises, Brownies, and Juniors when they are taking orders, selling or delivering product. Girls in grades 6-12 must be supervised by an adult when selling door-to-door and must never sell alone. Adults must be present at all times during Cookie Booth sales.

Plan Ahead

Be prepared for emergencies and always have a plan for safeguarding cash. Avoid walking around or keeping large amounts of cash on hand. Consider having another adult pick-up cash during a booth sale.

Do Not Enter

Do not enter the home or vehicle of a person when you are selling or making deliveries. Avoid selling to people in vehicles.

Sell in the Daytime

Sell during daylight, adult supervision is a must for evening sales.

Protect Privacy

Girl's full names, home addresses, or email addresses should never be given out to customers. Protect customer privacy by not sharing their information.

Be Safe on the Road

Always follow safe pedestrian practices, especially when crossing at intersections or walking along roadways. Be aware of traffic when unloading products and passengers from vehicles.

Be Internet Wise

Girls must always have parent/caregiver permission to participate in all online activities and must read and agree to the [GSUSA Internet Safety Pledge](#) before conducting any online activities.

Hometown Heroes

Encourage girls to tell every customer about our Hometown Heroes cookie donation program. Hometown Heroes cookies are delivered to those who serve our community such as U.S. military personnel, veterans, EMTs, firefighters, police officers, first responders, healthcare workers, teachers, and other essential workers.

Hometown Heroes cookies are great for those customers who do not want to purchase cookies for themselves or pay shipping fees.

Tips:

- Encourage girls to ask EVERY customer if they would like to donate cookies to our local heroes.
- For every \$6 donation, 1 package of cookies will go to our local heroes.
- Girls earn rewards for selling Hometown Heroes cookies.

Money Matters

Families are financially responsible for all cookies ordered, and any lost or stolen funds. Cookies cannot be returned. If a parent/caregiver anticipates needing assistance selling all of their cookies, please contact the Troop Leader as soon as possible and before the end of the sale.

Be sure to receive a receipt every time that you pick up cookies from your Troop or make a payment. Keep all receipts for your records. Turn in money frequently to your Troop.

Before your Girl Scout can begin selling cookies, your Troop Leader will present you with the Family Responsibility Form, be sure to review with your Girl Scouts and refer to it throughout the Cookie Program. If you have any questions, contact your Troop Cookie Manager or Council Customer Care.

Where the Cookie Money Goes

It is very important to share with your customers where the funds from the Girl Scout Cookie program goes. You can confidently tell them that all proceeds stay 100% local – right here in Miami-Dade and the Keys.

What makes the Cookie Program special is that not only does it teach valuable life skills, but it also provides a safe and fun environment for Girl Scouts to practice those skills.

With every package sold, customers are fueling adventure for every Girl Scout in our Council!

Important Reminders

- Payment is collected when delivering cookies.
- Do not pay your Troop for cookies ordered on Digital Cookie – payment is automatic.
- Use the Digital Cookie mobile app when customers want to pay by credit card.
- Protect yourself! When picking up cookies from your Troop, always request a receipt for cookies received and payments made.
- Turn in collected payments often. Make frequent visits to your Troop Cookie Manager to give them money to take to the bank.
- Remember, cookies cannot be returned or exchanged. Caregivers are financially responsible for all cookies ordered.
- You are responsible for lost or stolen funds/cookies.
- Any in-person donations made should be accounted for and the funds turned in with your other payments.
- Final payments are due to the Troop no later than February 22, 2026. Troop Cookie Manager might have an earlier date.
